**WARNING FROM YOUR
POLICE DEPARTMENT**

Don't Be A Victim! There has been an increase in telephone scam attempts in L.A.C. Examples of Calls include individuals identifying themselves as the Internal Revenue Service, Credit Card Companies, Microsoft, and others. They can be convincing and may even know the names of your relatives. **NEVER** provide any personnel information to them. Never agree to log into your computer at their request or provide login or password information to them.

Simply Hang Up. There are horror stories of individuals that have been scammed. Often senior citizens. Don't let this happen to you or your family, then call and report the incident to the Treasury Inspector General for Tax Administration at 1.800.366.4484.
